

# EARTHEN PLASTER WORKSHOP

July 13 - July 20 — Moretown, Vermont

Learn to prepare, mix, and apply natural earthen plasters on a round earthbag structure. This course is taught by the dirt aficionados, Kaki Hunter and Donald Kiffmeyer ([www.okokok.org](http://www.okokok.org)), the authors of *Earthbag Building: The Tools, Tricks, and Techniques*.

**Cost: \$750** – includes all instruction; camping; swimming;

3 healthy, home-made meals per day; and plenty of time for **fun!**

Your \$250 deposit by June 15th will ensure your spot for this workshop as space is limited.
